1. From time to time we may offer a referral scheme which offers rewards to you and Referral Customers that you introduce to us once they have collected one or more of the following Products:
 - 1.1 The lease or purchase of an electric vehicle for personal use, through business contract hire, personal contract hire or outright cash purchase;
2. To make referrals and generate rewards accordingly, we will provide you with a Personalised code which you can provide to potential Referral Customers, for them to register their interest in our products. Rewards will only be issued if the Referral Customer submits the Personalised code through one of our website submission forms or it is provided to the Octopus Electric Vehicles team when the Referral Customer first reaches out to discuss vehicle options. Rewards will be accrued monthly upon the vehicle being delivered to the referral customer. Total reward value for that month will be issued on a monthly basis.
3. You and the people you refer to us will not be eligible for a reward under the referral scheme if:
 - 3.1 We have reason to believe you are sending or advertising your Personalised code to people who are not known to you or if you are in any way trying to benefit from our referral scheme as a commercial enterprise;
 - 3.2 You are making the claim retrospectively for customers who had already taken a Product before you or they were given your Personalised Code;
 - 3.3 You refer someone to us who is already an Octopus Electric Vehicles customer or who has already interacted with us or our staff;
